

Weert, January 2021

Subject: **REACH** (Registration, Evaluation, Authorization and Restriction of Chemicals)

Trespa International B.V. is a producer of High Pressure Decorative Laminates (HPL) under the brand name Trespa® Meteon®, which do comply with the European product standard EN 438.

Trespa International B.V. is aware of the requirements foreseen by the relevant REACH Regulation concerning the chemical substances.

According to this Regulation, Trespa International B.V. is a *downstream user* of chemical substances and for this reason the company is exempted from registration or notification.

In addition, to the best of our knowledge, the products produced by Trespa International B.V., do not contain any substances of very high concern (SVHC) above the threshold limit included in the REACH SVHC list.

Sincerely,

TRESPA International B.V.
