

## Warranty for DILITE Panels

For project:

We warrant our product in terms of frost resistance, inherent stability, weather resistance and continuous level of quality for material (according to ISO 9001). This warranty is valid for a period of **2 years for x sheets of DILITE® White** after delivery.

This warranty applies to:

- Interior and exterior applications in Europe
- DILITE® is used in display and signage applications and in accordance with our handling, cleaning and fabrication recommendations.
- We expect this product to experience no obvious surface character changes within the above mentioned period.
- DILITE® undamaged by improper handling, improper installation or vandalism.
- This warranty does not apply to DILITE® which has been exposed to smoke, fire, radiation, salt spray, solvents, concentrated detergents and wetting agents.

Date of completion: 2012-02-07
