Subject: REACH EC/1907/2006 Note

Dear customer,

With this note, we want to inform you about the position of Multifoil B.V. under the European REACH (registration, Evaluation, Authorisation and restrictions of Chemicals) Regulation EC 1907/2006. Under the structure of the REACH Regulation, Multifoil is a downstream user for most of the products supplied. This is also the case for the products supplied to Sunclear. According to Article 33 of the REACH Regulation, Multifoil B.V. is required as producer and supplier of articles to provide information about SVHC substances included in the REACH SVHC Candidate List if such substance is present in a supplied article above 0,1 percent by weight. Delivered articles should furthermore comply with restrictions laid down in REACH annex XVII.

Our products do, according to our current data and information we have collected from our suppliers, not contain:

- substances from the candidate list over 0,1% w/w, unless listed below:
- substances restricted in our products by REACH annex XVII over their respective thresholds.

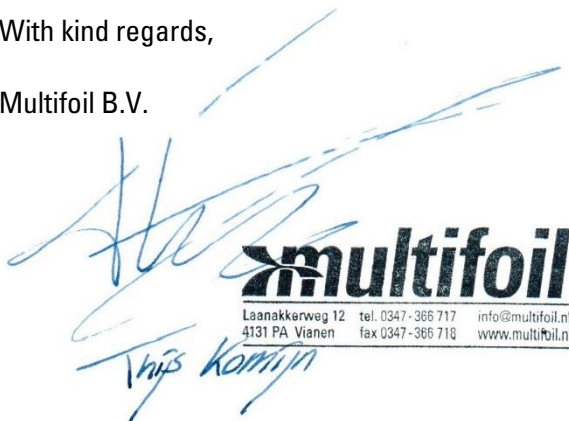

The above information is provided in good faith and is based on data considered accurate at the time of preparing this note. No warranty is expressed or implied regarding the completeness or accuracy of this data. As a producer, Multifoil B.V. depends on the information received from our suppliers. Multifoil B.V. cannot be held liable for damages or costs resulting from the use of or reliance on such information.

Customers are encouraged to visit the following site to get the most up to date information on current list of SVHCs under REACH: <http://echa.europa.eu/web/guest/candidate-list-table>
Customers requiring more information about products RoHS/REACH/POPs/PFAS Compliance details are advised to contact info@multifoil.nl.

As declared to the best of our knowledge and based on the information received from our suppliers,

With kind regards,

Multifoil B.V.
